

Rays of Sunshine

While our residents may not be able to see you right now, they'd love to hear from you! Let's not forget our team members too, who are on the front lines of providing compassionate care every day.

Brighten the days of those who live with us and those who work for us with a note or card, long or short, big or small, to spread some #RaysOfSunshine to us all.

*If you'd like your #RaysOfSunshine to go to a specific community on one of our campuses, please specify in your note or card.

*We believe in the power of the human spirit and the ability of the human mind to overcome all obstacles. We believe in the power of the human spirit to overcome all obstacles. We believe in the power of the human spirit to overcome all obstacles.

#RaysOfSunshine is an initiative that Presbyterian SeniorCare Network promoted at the start of the Covid -19 pandemic because of visitation restrictions.

With residents of all of our communities unable to have visits with family members and friends, Presbyterian SeniorCare Network asked community members to send positive mail. This includes cards, letters, colored pictures, etc.

Rays of Sunshine

To promote #RaysOfSunshine and let the residents' families know about the initiative, the team at Woodside Place of Oakmont decided to send them a picture of their family member.

Residents cut out various yellow, white, and gold circles to create a "sunshine" back drop. We created a sign that read "I've Got Sunshine on a Cloudy Day #raysofsunshine".

The feedback was so positive, we decided to continue sending the families new photos each week.

We continued the sunshine theme the second week and then branched out with different ideas such as Easter, Rainbows, Hearts, Disney, and Butterflies.

The sign here reads "Those who Bring Sunshine into the Lives of Others Cannot Keep it from Themselves."

The residents helped make the back drop by painting suns on card stock!

Rays of Sunshine

For the week of Easter, we decided to bring in the Easter Bunny (a Woodside Place of Oakmont Team Member) instead of creating a backdrop.

Residents were all so happy to get their pictures taken to show their children, grandchildren, and even great-grandchildren!

The sign here reads “There is a Rainbow of Hope at the End of Every Storm”

The residents helped make the back drop by cutting out the rainbow circles.

The sign here reads “Start Each Day with a Grateful Heart”.

Residents helped make this back drop by making the “stained glass” hearts!

In this picture to the left of me is Amber Pritts, a Certified Therapeutic Recreation Specialist, who also facilitated the interventions with the residents to be involved in this process.

We decided to use Disney as one of our themes because it is associated with positive memories for many residents. We already had a back drop from our Disney Team Member Appreciation Day last year.

The sign here reads “So Many of My Smiles Begin with You”.

The sign here reads “I’m Sending you Virtual Hugs, Smiles, Sunshine, Rainbows, and Butterfly Kisses”.

Residents helped make this backdrop by “tie dying” coffee filters and painting clothes pins to make butterflies!
