# 2022 CONFERENCE **PROSPECTUS**

We are excited to come together in 2022 for the Pioneering a New Culture of Aging Conference, Honoring the Past, Treasuring the Present, Shaping the Future, July 27-30, Sheraton Denver Downtown, in Denver, Colorado.

We have reimagined the conference experience including the traditional sponsor opportunities and exhibit hall. You are more than vendors and exhibitors; you are our Solution Partners. In lieu of the exhibit hall, you have the choice of participating in one or both options below. We also are offering a limited number of sponsorships for enhanced visibility.

## SOLUTION CENTER-

a roundtable setting where you can meet with one person or groups of people to share information about your products and services. No need for a booth or table display, bring yourself or small team. Tabletop signage will be provided for you.

## EXPERIENCE CENTER-

a dedicated area for you to invite Conference attendees to have an experience with your product or service that is interactive and engaging. Need some help to figure out how? We can help you design the experience.

Your Partnership includes acknowledgement on the event web page, Conference app, promotional materials, and an invitation only reception during the Conference with other Solution Partners, the Pioneer Network Board of Directors, and other invited guests.

Here are additional ways to connect with attendees on-site:

- Our Solution Partner package includes full conference registrations for two team members. You are part of the Network so please attend sessions, learning circles and all conference events. This is a great way to meet more people.
- A free conference registration for you to “gift” to a provider (customer or potential customer) who you believe would benefit from attending the conference or a scholarship applicant
- Attendees will enjoy hosted coffee breaks and boxed lunches in the solution and experience center areas
- Access to pre- and post- event registration mailing lists for one-time marketing use
- Exposure on the conference app— create a video, digital brochure or flyer for the app that introduces your company, product, or service
